

EPT June 2025 Learning Community
Models of Care and Disparity Reduction Planning

EPT June Learning Community Overview and Agendas

Overview

Session Dates:

- Monday, June 23, 4:00–6:00pm PT – Learning Community Part 1
- Tuesday, June 24, 12:00–2:00pm PT – Learning Community Part 1 (repeat)
- Wednesday, June 25, 4:00–6:00pm PT – Learning Community Part 2
- Thursday, June 26, 11:00am–1:00pm PT – Learning Community Part 2 (repeat)

Pre work before the session

1. Review data on the disparity that was identified during the May 2025 submission cycle
2. Care Team assessment

Learning Objectives:

- Reflect on program progress and plan for upcoming work
- Assess and strengthen care team models
- Adopt and operationalize clinical guidelines
- Design and implement pre-visit planning workflows
- Collaborate and share implementation strategies with peer practices

EPT June 2025 Learning Community
Models of Care and Disparity Reduction Planning

Day 1:

Time	Topic	Description
25 min	Welcome + Program Check-In	10 min Welcome & Framing (PHLC Lead) 10 min Practice Spotlight Empanelment or Access 5 min PHLC Reflections & What's Ahead
45 min	The road ahead: Disparity Reduction Plan, care team assessment, pre-visit planning, and outreach plan and how they all fit together	Goal: Introduce Disparity Reduction Plan and show interconnections with Care Team Plan, Pre-visit planning, and Outreach Plan as part of interconnected strategy. De-mystify steps for next deliverables and show how upcoming deliverables work together as part of a coherent strategy to address the disparity of interest.
10 min		BREAK
35 min	Care Team Assessment & Implementation Deep Dive	10 minutes Demo continues case study from previous session 20 minutes Small group discussions by population of focus (PoF) using Share the Care exercise. 5 minutes Groups report out themes to large group + Q&A
5 min	Closeout + Day 2 Preview	Key takeaways and prep for next session.

EPT June 2025 Learning Community
Models of Care and Disparity Reduction Planning

Day 2:

Time (PT)	Topic	Description
15 min	Welcome Back + Key Themes from Day 1	Circle, triangle, square activity (what's still circling, what are three key takeaways, what's squared away)
40 min	Adopting Clinical Guidelines to Standardize Practice	10 min Case study 20 min Show Via Care Video 10 min Large Group Debrief
10 min		BREAK
40 min	Pre-Visit Planning to Close Gaps	Session Objectives By the end of this session, participants will be able to: • Identify key components of an effective pre-visit planning (PVP) workflow • Describe how clinical alerts and care gap reports can be leveraged through EHR optimization • Discuss resource considerations and tradeoffs when implementing PVP • Share tools, workflows, and automation strategies from their own settings 10 minutes Continue case study 25 minutes breakout 5 min Debrief large group
15 min	Reflection + Commitments	Prompt: What will you take back to your team? What's your next small test of change (what will you do by next Tuesday)?
